

REACH Declaration of Conformity

According to Regulation (EC) No. 1907/2006 (REACH)

Meyer Sintermetall AG hereby declares that, to the best of our current knowledge and based on information provided by our suppliers, the products supplied by our company comply with the requirements of Regulation (EC) No. 1907/2006 (REACH). In particular, we confirm that our products do not contain any Substances of Very High Concern (SVHC) listed on the Candidate List published by the European Chemicals Agency (ECHA) in a concentration exceeding 0.1% weight by weight (w/w) in accordance with Article 33 of the REACH Regulation. This declaration refers to the ECHA Candidate List of SVHC – last update 4 February 2026 (253 substances).

Supplier obligations

Our EU suppliers of articles used in our products are contractually obliged to inform us immediately and without request if any supplied article contains an SVHC in a concentration greater than 0.1% (w/w).

For suppliers located outside the European Union, contractual agreements require them to notify Meyer Sintermetall AG without delay and in writing if any supplied article exceeds the 0.1% SVHC threshold according to REACH Article 33.

Continuous monitoring

Meyer Sintermetall AG continuously monitors updates to the REACH Candidate List published by ECHA. Should any SVHC substance be identified in our products above the regulatory threshold, we will inform our customers immediately and provide the required information for safe use in accordance with REACH Article 33.

Disclaimer

This declaration is based on the current state of knowledge, supplier information, and the latest available regulatory data at the time of issue.

It will be updated if relevant changes occur in the REACH regulation or in the composition of our products.
