

RoHS Declaration of Conformity Supplier Declaration regarding RoHS Directive 2011/65/EU, Amendment (EU) 2015/863 and latest Delegated Directives (EU) 2025 updates

To Whom It May Concern,

We hereby confirm that the levels of restricted substances in the products we supply do not exceed the maximum concentration limits set forth in:

- Directive 2011/65/EU of the European Parliament and of the Council (RoHS)
- Commission Delegated Directive (EU) 2015/863
- as well as the latest applicable Delegated Directives of the European Commission, including (EU) 2025/1802, (EU) 2025/2363 and (EU) 2025/2364

Meyer Sintermetall AG hereby declares that all products supplied comply with the current requirements of the EU RoHS Directive, including the updated and restructured exemptions listed in Annex III.

Where applicable, exemptions for restricted substances (e.g. lead in specific applications) are applied in accordance with the latest valid exemption categories and sub-categories (e.g. 6(a)-I, 7(a)-I, etc.), including their respective validity periods and conditions.

We continuously monitor regulatory developments and ensure that our products and processes remain compliant with all applicable legal requirements, including updates to exemption scopes, expiry dates and renewals.
